*Dear Friends,*

*It's time to share with you some news of our activities.*

## Events organized

- Fund raising event was organized by Yasho's Leukodystrophy Foundation (YLF) in Vlaardingen, The Netherlands. (13-10-2018)
- YLF co-sponsored the children sport event organized by Telugu Association of Netherlands (TANE) at Eindhoven (7-09-2019)

## Participation

- Participated "Dialogsessie metabole ziekten" organized by United Metabolic Diseases, UMD and Stichting voor Metakids. At this event, the directors of different foundation have discussed the ideas to create awareness to general public and generate funds (05-03-2020).

## Services offered

- Sai Krishna, an year old boy from Andhra Pradesh, India (12-2019 – continuous): Sai has been suffering with the issues of developmental delay and severe spasms. So far, no diagnosis and parents were not aware on the prognosis of the sickness. YLF is working together with them to offer help with the diagnosis here in Netherlands.

---

## Purpose

The foundation aims to improve the quality of life of children suffering from Leukodystrophy. Fuelling this is the growing need to address the limited research towards the diagnosis and clinical treatment and this forms the core of our Foundation.

Our goals are:

1. Create awareness of pediatric white matter disorders and screening
2. Increase the quality of life to leukodystrophy children which includes working with affected families
3. Work together with researchers for the development of easier screening methods and to develop the clinical treatments

YLF is a non-profit foundation. All received funds and resources will be used towards the foundation's objectives.

---

## Become a volunteer

Volunteers bring their energy into any foundation and we are fortunate to have some awesome people who have generously donated their time for our cause! Become a part of our family by contacting us : [yashofoundation@gmail.com](mailto:yashofoundation@gmail.com)

*Thanks for contribution and looking forward to your continued support, YLF team.*
